

'TWENTY FRAME' KITCHEN
*by Carlo Presotto and Andrea Bassanello,
for Modulnova*

Bringing together Modulnova's 'Twenty' minimalist kitchen system and monolithic 'Frame' cabinets, this new model is all about large proportions and linear design. The vast horizontal central island in dark limewash comes with elongated drawers and an eye-catching cantilevered kitchen table, while tall units in Milano walnut, inspired by 1950s cupboards, add warmth and ample storage to the space.
